

DAVE RAMSEY'S

# FINANCIAL *Peace*<sup>®</sup>

UNIVERSITY

It's not just information—we're looking for fiscal transformation. Over 4.5 million people have taken control of their money with the nine easy-to-follow lessons in Financial Peace University. It is a program that teaches how to live with intentionality and a good bit of intensity, and become better stewards of God's abundant blessings.

Class members meet weekly to watch a video lesson and participate in discussion groups facilitated by the FPU Coordinator. Dave Ramsey's style is simple and easy to understand. He will change the way you think about money. You'll actually have fun as you learn!

Students learn biblically based, practical ways to create a budget, pay off debt, make wise spending choices, save for the future, and keep the household economy thriving.

On average, participants pay off \$5,300 in debt and save \$2,700 in just 90 days. That's an \$8,000 turnaround!
