

# Mary's little baby boy

---

All the earth rejoices  
Lifting high their voices  
Mary's little baby boy  
Fills our hearts with joy

The splendor of our God  
Festive angels laud  
Our God is King!  
Let all creation sing

The Light of the World  
In flesh and blood behold  
God's mystery begotten  
From eternity now spoken

And the Word became flesh  
God's chosen ones to bless  
The splendor of His glory  
Completes salvation's story

To all those who believe  
His fullness they receive  
Grace in place of grace  
God has a human face
