

# Holy abandon

---

Jesus calls out to me  
Bids me come and follow  
The way, I cannot see  
A voice, I'm curious to know

And though He knows my name  
I'm frightened by uncertainty  
To give my life in vain  
Or live now for eternity

Then faith awakes, doubt breaks  
I ache to follow You  
What God has given now take  
Fill my heart, my soul subdue

And from my vanities' revile  
This life abandoned, reconcile
